Processing and Issuance of Certificate of Registration of Authority to Solemnize Marriage (CRASM)

This process involves the collection of demographic and biometric information of Citizen or resident aliens in the Philippines to the PhilSys. Subsequently, the collected information shall undergo deduplication and back-end validation to ensure the uniqueness of the identity of the applicant. Once validated, the applicant shall be issued a PhilSys Number (PSN). Upon successful registration and generation of the PSN, the Philippine Identification (PhilID) shall be printed and issued to the registered person.
